The Board discussed the issue of how the GBC should handle electronic checks especially in regards to application for membership. It has been customary to hold all checks/monies of an applicant until after the second reading for membership and approval. The Board discussed and decided this procedure was antiquated. It was decided that all future monies of applicants for membership will be deposited immediately. If an applicant is rejected for membership, a reimbursement check will be issued by the GBC. A motion was made by Rosemary Lichtenberger to adjourn the Board meeting. Seconded by Tami Westendorf. Board meeting adjourned at 3:15 pm.
